Booser's Beacon

Volume 2, Issue 1
October 7, 2015

In class this week...

Reading: This week starts our three week unit on Text Features. We will be looking at nonfiction texts and analyzing the features that are included.

Writing: The students will be working this quarter on informational writing.

Science: This week we started our unit on Animal Adaptations. We are learning the basic needs of all animals and the two main types of adaptations (physical and behavioral).

Math: We continue to work on division strategies.

Important Dates:

Photo retakes	10/8
Three Bear Acres Day	10/10
Early Release	10/16
Track out day	10/21
Field Trip to NC History Museum and Imax	

Money Collection Update

In your child's Wednesday folder, you will find a collection update. If you records do not match mine, please let me know.

Student-Led Conferences

Please sign up for a conference. Thank you to those that have already .

Bully Prevention Week

National Bullying Prevention Month is approaching and Jones Dairy Elementary will be honoring this effort during the week of October 19-23. This is a time when school communities can unite nationwide to raise awareness of bullying prevention through events, activities, outreach, and education. JDE will recognize bully prevention week by celebrating the theme of "It's Cool to Care – JDE is Bully Free." Students will participate with a pledge to be bully free banner, which will be displayed in the hallways, airing video messages, wearing orange for Unity Day on Wednesday, October 21, and student led announcements. Student Council will collaborate with Student Services to commemorate our commitment to be Bully Free by presenting all students with orange zipper pulls embossed with the logo. Please look for your child's zipper pull to help begin discussions with your child about helping JDE be bully free. Additional resources on bully prevention can be located at http://www.pacer.org/bullying/nbpm/.

Traci Johnson, School Counselor & Anna Barrett Williams, School Psychologist

School Expectations:

Practice Safety
Act Responsibly
Work Hard
Show Respect
